PUBLIC COMMENT PERIOD

[2024-390](#)

Public Comment Period

A Public Comment Period will be held on the first Monday of the regular City Council meeting schedule at 5:30 p.m. or as soon thereafter as reasonably possible following recognitions, awards, and presentations. Our policy states persons may speak on any item not on the agenda.

- * Persons who have signed the register to speak shall be taken in the order in which they are listed. Others who wish to speak and have not signed in will be taken after those who have registered.
- * Persons addressing City Council are asked to limit their comments to 3 minutes.
- * Citizens will be asked to come to the podium, state their name and address and the subject(s) on which they will comment.
- * If a large number of people are present to register concerns about the same subject, it is suggested that they might be acknowledged as a unified group while a designated speaker covers the various points. This helps to avoid repetition while giving an opportunity for people present

with the same concerns to be recognized.

Thanks to everyone in the audience for respecting the meeting by refraining from speaking from the audience, applauding speakers, or other actions that distract the meeting.
