- (d) A conciliation agreement will be made public unless all parties otherwise agree and the Director determines that disclosure is not required to further the purposes of this article.
- (e) Nothing said or done in the course of conciliation may be made public or used as evidence in a subsequent proceeding under this article without the written consent of the persons concerned.
- (f) Whenever the Director has reasonable cause to believe that a respondent has breached a conciliation agreement, the Director will refer the matter to the City Attorney with a recommendation that a civil action be filed under Section 26 of this article for the enforcement of such agreement.

If the Director and the City Attorney conclude at any time after the filing of a complaint that prompt judicial action is necessary to carry out the purpose of this article, the City Attorney will file a civil action for appropriate temporary or preliminary relief, pending final disposition of the complaint. The commencement of a civil action under this section does not affect the initiation or continuation of administrative proceedings under this article.

Sec. 4-3-24. Dismissal of Complaints.

If the Director determines that no reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the Director will promptly dismiss the complaint and shall make public disclosure of the dismissal, including written notice of the dismissal to the complainant(s) and respondent(s).

Sec. 4-3-25. Reasonable Cause Determinations.

- (a) The Director will consult with the City Attorney regarding any case in which there is evidence that a discriminatory housing practice has occurred or is about to occur. The Director and the City Attorney will determine based on the facts whether reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur.
- (b) The Director and the City Attorney will make the determination under subsection (a) of this section within 100 days after the filing of the Complaint unless either:
 - (1) It is impracticable to make the determination; or
 - (2) The Director has approved a conciliation agreement with respect to the complaint.
- (c) If it is impracticable to make the determination within the period prescribed by subsection (b) of this section, the Director must notify the complainant(s) and respondent(s) in writing of the reasons for not doing so.
- (d) If the Director and the City Attorney determine that reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the City Attorney shall file a civil action under Section 26 of this article, absent a conciliation agreement being reached.

Sec. 4-3-26. Civil Action by City Attorney.

- (a) If the Director and the City Attorney determine that reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the City Attorney may attempt conciliation in furtherance of effectuating a conciliation

agreement, and the City Attorney shall file a civil action in Superior Court, absent a conciliation agreement being reached.

- (1) In an action under this subsection, the Court may:
 - (i) Award, on behalf of the complainant, actual and punitive damages;

 - (iii) Award court costs and reasonable attorney's fees to the aggrieved person if the person incurred such costs and fees. The City Attorney will not be awarded court costs and attorney's fees.
- (b) If the Director and the City Attorney find reasonable cause to believe that a respondent has breached a conciliation agreement, the City Attorney will immediately file a civil action for enforcement of the agreement.
 - (1) In an action under this subsection, the Court may:

 - (c) A person aggrieved by the alleged discriminatory housing practice or damaged by the alleged breach of the conciliation agreement may intervene in a civil action brought under this section or commence a civil action under Section 27 of this article.

Sec. 4-3-27. Civil Actions by Private Persons.

- (a) An aggrieved person may commence a civil action in Superior Court, or any appropriate United States District Court or State Court, no later than two (2) years after either of the following, whichever occurs last:
 - (1) An alleged discriminatory housing practice occurred or was terminated; or

- (2) A conciliation agreement entered into under this article was breached.
- (b) The computation of such two-year period does not include any time during which an administrative proceeding under this article was pending with respect to a complaint or the filing of any court proceeding under this article based upon such discriminatory housing practice. This subsection does not apply to actions arising from a breach of a conciliation agreement.
- (c) An aggrieved person may file a civil action under this section whether or not a complaint has been filed under this article and without regard to the status of any such complaint, but if the Director has obtained a conciliation agreement with the consent of an aggrieved person, such person may not file an action relating to the same alleged discriminatory housing practice(s) which form the basis of such complaint, except to enforce the terms of such agreement.
- (d) The filing of an action under this section does not affect the Director's power and duty to investigate and make determinations based on such complaint.
- (e) An aggrieved person may intervene in a civil action filed by the City Attorney if based on such aggrieved person's complaint.
- (f) Upon timely application, the City Attorney may intervene in such civil action, if the City Attorney certifies that the case is of general public importance. Upon such intervention, the City Attorney may obtain such relief as would be available to the City Attorney under Section 26 in a civil action to which such section applies.
- (g) Any party aggrieved by any final determination of the Director under this article has the right to petition the Superior Court for any such temporary relief, restraining order, or other order as the Court determines is just and proper, or to affirm, modify, or set aside, in whole or in part, the determination for further proceedings; or to enforce the determination to the extent that the determination is affirmed or modified.
- (h) The rights granted by 42 U.S.C. §§ 3603, 3604, 3605, and 3606 may be enforced in a civil action brought pursuant to this section.

Sec. 4-3-28. Court-Appointed Attorneys.

- (a) Upon application by a person alleging a discriminatory housing practice or a person against whom a discriminatory housing practice is alleged, the court may:
 - (1) Appoint an attorney for the person; or
 - (2) Authorize the commencement or continuation of a civil action under Section 27 of this article without the payment of fees, costs, or security, if

in the opinion of the Court such person is financially unable to bear the costs of such action.

Sec. 4-3-29. Relief Which May Be Granted.

- (a) In a civil action under Section 27 of this Article, if the court finds that a discriminatory housing practice has occurred or is about to occur, the court may award to the plaintiff:
 - (1) Actual and punitive damages; and
 - (2) Except as described in subsection (b) of this section, and as the court deems appropriate, a permanent or temporary injunction, temporary restraining order, or other order, including an order enjoining the defendant from engaging in such practice or ordering such affirmative action as may be appropriate; and
 - (3) Court costs and reasonable attorney's fees to the prevailing party, other than the City of High Point, as within the Court's discretion. The City of High Point shall be liable for such fees and costs to the same extent as a private person.
- (b) Relief granted under Section 26, Section 27, and Section 30 shall not affect any contract, sale, encumbrance, or lease consummated before the granting of such relief and involving a bona fide purchaser, encumbrancer, or tenant, without actual notice of the filing of a complaint with the Director or civil action under this article.

Sec. 4-3-30. Pattern or Practice.

 - (1) A person or group of persons is engaged in a pattern or practice of resistance to the full enjoyment of any rights granted by this article; or
 - (2) Any group of persons has been denied any of the rights granted by this article and such denial raises an issue of general public importance.
- (b) In an action under this section, the Court may:
 - (1) Except as described in Section 29(b) of this article, award such preventive relief, including a permanent or temporary injunction, restraining order, or other order against the person responsible for a violation of this article as is necessary to assure the full enjoyment of the rights granted by this article;

CITY OF HIGH POINT

AGENDA ITEM

TITLE: Oak Hollow Festival Park Site Plan	
FROM: Lee Tillery, Parks & Recreation Director	MEETING DATE: February 8, 2024
PUBLIC HEARING: n/a	ADVERTISED DATE/BY: n/a
ATTACHMENTS: Oak Hollow Festival Park Master Plan Presentation Oak Hollow Festival Park Master Plan Project Narrative	

PURPOSE: Site Plan for Oak Hollow Festival Park. Festival Park and the congruent North Overlook Park serve the City in many diverse capacities including major special events, rowing and regattas, along with passive opportunities along the lake front. The purpose of this plan was to develop an outline for future development, enhancements and additions based on our current programming and explore opportunities for new improvements and amenities.

BACKGROUND: The City contracted with Withers-Ravenel early in 2023 to work with our Parks & Recreation Department to establish a Site Plan for Oak Hollow Festival Park. The project was very thorough and included aspects such as site evaluation and history, meetings with staff and stakeholder groups, along with several opportunities for the public to be involved. This included two public meetings, interaction with our Parks & Recreation Commission, and an online survey. The site evaluation explored aspects associated with hydrology, accessibility, parking and evaluating opportunities to connect Festival Park with the North Overlook to enhance the total park areas while improving accessibility. Finally, we explored avenues to activate more of the open space, improve existing structures, build on opportunities for rowing, and plan for two new playgrounds within the entire park. Two draft plans were evaluated and then a final draft master plan was presented to the Parks & Recreation Commission. This final draft was approved by the Commission at the August 2023 meeting.

BUDGET IMPACT: No current budget impacts. Plan will be utilized for Planning and Budgeting purposes moving forward.

RECCOMENDATION/ACTION REQUESTED: The Parks & Recreation Department recommends approval of Site Plan and asks City Council to formally approve and adopt the plan as well.

OAK HOLLOW/FESTIVAL PARK MASTER PLAN

Oak Hollow/Festival Park Master Plan

Project Narrative

The Master Plan for Oak Hollow/Festival Park illustrates a vision that reinvents the park for festivals and events as well as everyday use. Improvements are focused on enhancing the park's ability to accommodate festivals and increasing everyday recreation opportunities, making the park more accessible.

The plan reflects community engagement as well as input from city staff and stakeholder groups. Meetings were held with key stakeholders and 2 community meetings were held to solicit input as the plan developed. On-line surveys were also provided to gather community perspective on current issues, recreational needs, aspirations, and priorities. As part of the process, alternative concepts and ideas for park improvements were prepared and made available to identify preferences. During the process, plans for the park were also presented to and approved by the City of High Point's Parks & Recreation Commission Board.

Continuing to support festivals and events like the 2-day Coltrane Jazz Festival, regattas and holiday gatherings is a primary focus of the plan. To accommodate the expansion of festivals, the plan includes increased parking, a connecting walkway system, and the definition of spaces for performances. Five locations for temporary stages for festivals are strategically sited, utilizing existing grade as natural amphitheaters. Areas traditionally used to stage regattas remain.

Parking areas and associated drives on both sides of the spillway were reconfigured and expanded, increasing parking from 45 to 166 spaces, 104 on the west side and 62 on the east side. A view of the lake from the parking area on the east side is maintained by the master plan.

The walkway system connects both sides of the park across the Deep River benefiting both festivals and everyday use. Two pedestrian connections are illustrated. One parallels Eastchester Road, while the other is internal to the park, crossing the river just south of the spillway. In addition to connecting the two sides of the park, walkways eliminate the need for blocking off the road during festivals, define spaces for gathering and performance and provide the everyday visitor with an enhanced experience. The system creates a walk that is nearly a mile from one end of the park to the other. The circle loop of the west side of the park is one-third of a mile. All walkways are accessible and include designated areas to enjoy the views of the lake.

In addition to restructuring the park with the new walkway system and the defining specific spaces the master plan also recommends the following improvements:

- Replacement of the existing playground and the addition of a new playground. Each playground will be inclusive and offer play experiences for children of all ages.
- Renovation of restroom facilities / New restroom facilities
- Picnic facilities / shelters
- Enhanced landscaping
- Lighting
- Site amenities, benches / trash receptacles
- Identity / Wayfinding Signage
- Stormwater treatment facilities (2 ponds)
- Utility Infrastructure (electrical, sewer and water)

Sec. 4-3-22. Confidentiality.

- (a) Materials in the investigative file may be disclosed to any party to the extent reasonably necessary to further the investigation or conciliation discussions.

If the Director and the City Attorney conclude at any time after the filing of a complaint that prompt judicial action is necessary to carry out the purpose of this article, the City Attorney will file a civil action for appropriate temporary or preliminary relief, pending final disposition of the complaint. The commencement of a civil action under this section does not affect the initiation or continuation of administrative proceedings under this article.

Sec. 4-3-24. Dismissal of Complaints.

If the Director determines that no reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the Director will promptly dismiss the complaint and shall make public disclosure of the dismissal, including written notice of the dismissal to the complainant(s) and respondent(s).

- (c) If it is impracticable to make the determination within the period prescribed by subsection (b) of this section, the Director must notify the complainant(s) and respondent(s) in writing of the reasons for not doing so.
- (d) If the Director and the City Attorney determine that reasonable cause exists to believe that a discriminatory housing practice has occurred or is about to occur, the City Attorney shall file a civil action under Section 26 of this article, absent a conciliation agreement being reached.

Sec. 4-3-27. Civil Actions by Private Persons.

- (a) An aggrieved person may commence a civil action in Superior Court, or any appropriate United States District Court or State Court, no later than two (2) years after either of the following, whichever occurs last:
 - (1) An alleged discriminatory housing practice occurred or was terminated; or

- (2) A conciliation agreement entered into under this article was breached.
- (b) The computation of such two-year period does not include any time during which an administrative proceeding under this article was pending with respect to a complaint or the filing of any court proceeding under this article based upon such discriminatory housing practice. This subsection does not apply to actions arising from a breach of a conciliation agreement.
- (c) An aggrieved person may file a civil action under this section whether or not a complaint has been filed under this article and without regard to the status of any such complaint, but if the Director has obtained a conciliation agreement with the consent of an aggrieved person, such person may not file an action relating to the same alleged discriminatory housing practice(s) which form the basis of such complaint, except to enforce the terms of such agreement.
- (d) The filing of an action under this section does not affect the Director's power and duty to investigate and make determinations based on such complaint.
- (e) An aggrieved person may intervene in a civil action filed by the City Attorney if based on such aggrieved person's complaint.
- (f) Upon timely application, the City Attorney may intervene in such civil action, if the City Attorney certifies that the case is of general public importance. Upon such intervention, the City Attorney may obtain such relief as would be available to the City Attorney under Section 26 in a civil action to which such section applies.
- (g) Any party aggrieved by any final determination of the Director under this article has the right to petition the Superior Court for any such temporary relief, restraining order, or other order as the Court determines is just and proper, or to affirm, modify, or set aside, in whole or in part, the determination for further proceedings; or to enforce the determination to the extent that the determination is affirmed or modified.
- (h) The rights granted by 42 U.S.C. §§ 3603, 3604, 3605, and 3606 may be enforced in a civil action brought pursuant to this section.

Sec. 4-3-28. Court-Appointed Attorneys.

- (a) Upon application by a person alleging a discriminatory housing practice or a person against whom a discriminatory housing practice is alleged, the court may:
 - (1) Appoint an attorney for the person; or
 - (2) Authorize the commencement or continuation of a civil action under Section 27 of this article without the payment of fees, costs, or security, if

in the opinion of the Court such person is financially unable to bear the costs of such action.

Sec. 4-3-29. Relief Which May Be Granted.

- (a) In a civil action under Section 27 of this Article, if the court finds that a discriminatory housing practice has occurred or is about to occur, the court may award to the plaintiff:
 - (1) Actual and punitive damages; and
 - (2) Except as described in subsection (b) of this section, and as the court deems appropriate, a permanent or temporary injunction, temporary restraining order, or other order, including an order enjoining the defendant from engaging in such practice or ordering such affirmative action as may be appropriate; and
 - (3) Court costs and reasonable attorney's fees to the prevailing party, other than the City of High Point, as within the Court's discretion. The City of High Point shall be liable for such fees and costs to the same extent as a private person.
- (b) Relief granted under Section 26, Section 27, and Section 30 shall not affect any contract, sale, encumbrance, or lease consummated before the granting of such relief and involving a bona fide purchaser, encumbrancer, or tenant, without actual notice of the filing of a complaint with the Director or civil action under this article.

Sec. 4-3-30. Pattern or Practice.

- (a) The City Attorney may file a civil action in Superior Court whenever the City Attorney has reasonable cause to believe that either:
 - (1) A person or group of persons is engaged in a pattern or practice of resistance to the full enjoyment of any rights granted by this article; or
 - (2) Any group of persons has been denied any of the rights granted by this article and such denial raises an issue of general public importance.
- (b) In an action under this section, the Court may:
 - (1) Except as described in Section 29(b) of this article, award such preventive relief, including a permanent or temporary injunction, restraining order, or other order against the person responsible for a violation of this article as is necessary to assure the full enjoyment of the rights granted by this article;

Dear Eric,

Visit High Point continues to work with area community partners to activate an impactful events calendar to draw attention from visitors and locals to our city. Please note that many events have been cultivated and are turnkey without city services. However, the events outlined below are within the investment metrics for Visit High Point where our organization will be supporting these events through our sponsorship budget and will need additional ancillary support from the City. ATTACHMENTS: Council 240208 Panhandling PowerPoint	

PURPOSE: Staff will provide an update on a proposed pilot program to address panhandling in the community.

BACKGROUND:

Panhandling has become an increasing problem in the community creating concerns around resources and housing available to individuals/families, as well as public safety concerns.

Since June, staff from Community Development and Housing, Police, and Communications and Public Engagement have met to discuss potential strategies for discouraging panhandling in locations near road medians, where there are heightened safety concerns.

BUDGET IMPACT: None

RECOMENDATION /ACTION REQUESTED: Human Relations staff will provide a presentation.

PANHANDLING UPDATE

JERON HOLLIS
MANAGING DIRECTOR

ISSUE OVERVIEW

- **Panhandling is increasingly common across America**
- **Broadly protected by First Amendment**
 - Some aspects of panhandling can be limited by local ordinances
- **High Point ordinance prohibits “aggressive solicitation” and limits panhandling activities near locations like ATMs and schools**

STAFF APPROACH

Objective: Develop strategies to discourage panhandling in locations with heightened safety concerns, such as road medians

- **Staff Strategy**

- Create signage that might discourage drivers from interacting with panhandlers
- Consider future approaches that might address the factors that contribute to panhandling and homelessness

EXAMPLE SIGNS

PROPOSED SIGN

- Sign will be placed in three pilot intersections:
 - Eastchester & Main
 - Wendover & 68
 - Parkway & Main

FUTURE CONSIDERATIONS

- **Work with local businesses to secure property that could become a safety hazard in traffic**
 - Examples: grocery carts or packing crates
- **Collaborate with local agencies to provide on-the-ground support for individuals in need**
 - Example: Partners Ending Homelessness
- **Develop education campaigns**
 - Assistance options for impacted populations
 - Support options for general public
